

## Acoustic Delight cue sheet Information

A cue sheet has no requirement for you as the licensee to pay any extra fees or royalties at all. Your sync/master license fee is the only money you will ever have to pay.

If your production is for broadcast or public performance, Film, TV or Radio a Cue Sheet must be submitted by you, or by your representative with the Performing Rights Organization (PRO) in the country where the production was created. eg. ASCAP

Alternatively you can use this PDF cue sheet (page 2) or download a PDF Cue sheet from [acousticdelight.com](http://acousticdelight.com), fill it in & email it back to Acoustic Delight for submission.
